Welcome back to Term 3!!

We have loved seeing back in for lessons making a splash!

Week 6- Disney Week

The 24th- 30th August we encourage you all to dress as your favourite Disney character when you come along to lessons - please be mindful of body paints and hair products though. Prizes for best dressed throughout the week (parents, you too!), colouring competition and Disney trivia as well!

Don't miss the Disney pool party on Friday 28th 6-7.30pm. Come to boogie along to all your favourite Disney tunes and have some fun on the small pool inflatable.

Swim School Manager

We would also like to take this opportunity to inform those of who you missed our Facebook post, that Stacey has made the decision not to return to her role as Swim School Manager and instead spend time with her husband and baby Sienna on the farm. A massive thank you to Stacey for everything she has done since 2012 for the community's water safety and swimming ability. Stacey has been a mainstay of the swim school and we are luckily not losing her entirely! She will stay around so you will still get to see her teaching again!

This however means that Tayla is here to stay as our permanent Swim School Manager! Tayla exudes infectious enthusiasm and a love for swimming which makes her the ideal next leader of our swim school and our team are stoked to have her fill this role.

Tummy bug

Unfortunately we are aware there is a vomiting/diarrhoea bug going around the district. To ensure the health and safety of those in for lessons and also general pool users, we remind you that after the last diarrhoea episode you must remain out of public pools for 48 hours.

The whole team at EA Networks Centre, as well as all our patrons, thank you in advance for your cooperation and understanding.
