## Nearing the end of Term 3

We are very proud of all our swimmers and are so impressed with the progress everyone has made this term. If you've not yet already watched our Term 3 [video](#), check out what some of our instructors have to say about the amazing term we have had.

Our Swim School loves to recognise achievements, like moving through levels, lots of progress within a level and great behaviour. A big congrats to Daniel, Harrison and Harriet who have been nominated by their instructors for their amazing progress over the term and for always trying their absolute best!

Well done to each and every one of our swimmers! We can't wait to see the progress you'll make next term too!
